AWCO (AMSTERDAM WATCH COMPANY)

Patek Phillipe Gondolo 18k, Ref. 3550

“Wow” is the first thing that came to mind when this beauty entered the quarters of AWCo.

This specific Gondolo ref.3550 is a very special watch that does not enter our store very often. Also in this condition is rare, the 18 white gold bracelet looks like it never has been worn. The dial integrates so well with the watch and is a true beauty to looks brilliant. Together with the fine manual movement you would expect from the prestigious brand, makes it a real vintage masterpiece.
