Mostly working in the fields of art and collectible design. Pepe Valenti is a sculpture and installation artist. Pushing the boundaries of both design and art, asking when does design become art, and when does art become design. Valenti was born in Barcelona, but moved to London at the age of 12.

When he turned 18 Valenti came to study in the Netherlands at the Design Academy Eindhoven where he graduated in 2022, with El Mar Installation being his graduation project. Pepe Valenti has been a full-time artist since then, in 2023 he was nominated for the Kazerne Design Award, and he won the Zuiver Scholarship 2023.

SmithDavidson Gallery is the official gallery for Pepe Valenti with access to the full collection, contact us for the full collection.
