KUNSTHANDEL INEZ STODEL

A gold wood and enamel buckle bracelet

An 18 carat yellow gold bangle bracelet in the form of a strap, hinged at three points, the two curved halves laid on with wood (probably coromandel) under end pieces in the shape of shields with white opalescent translucent enamel, closing with a large buckle with two lengths options, and a folding lock. Signed: Gucci. Made in Florence, Italy, before 1968. With original case.

weight: 115 grams

width: 24.5 mm

inside diameter: from 54 x 49 to 59 x 50 mm
